State Control Room, Integrated Disease Surveillance Programme
Directorate of Health Services, Uttarakhand, Dehradun
Health Bulletin on Novel Corona Virus (COVID 19)

Govt. of Uttarakhand

Uttarakhand

Situation Update, Uttarakhand: 01/04/2020

WHO has declared the Novel Corona Virus (COVID-19) epidemic as Public Health Emergency of International Concern (PHEIC) under IHR (International Health Regulation). In this context, Uttarakhand Government has strengthened the surveillance and control measures against the disease.

A total of 590 samples have been collected for COVID-19 testing till date. Result of 512 samples received, 505 are negative and 7 are positive. Result of 78 samples is awaited.

Isolation and Institutional Quarantine facilities have been made operational in all districts and state is geared up to admit any person that needs institutional quarantine.

Public Health Action taken:

- As a part of preparedness to combat COVID-19 pandemic, Government has notified for 15 dedicated COVID hospitals.
- To combat COVID-19 pandemic, the state government has recruited another batch of 276 doctors, hence 477 doctors are posted to combat the pandemic situation.
- One more lab for COVID-19 testing has made functional.
- An advisory has issued to District Magistrates for identification of **Tableegi Jamat followers** who have been participated in religious function at Nizamuddin (Delhi) from 1st to 15th March 2020.
- Regular messages on **Do's & Don'ts** during lock down periodare released for public awareness through print, electronic and social media. FM Radio and Community Radio are widely used.
- Uttarakhand government launched a Mobile App "Uttarakhand COVID-19 Tracking System" as a platform for people to report and self declare, if they are suspecting COVID-19 signs and symptoms. The link of App is *https://play.google.com/store/apps/details?id=com.app_release.covid19finalcourse*

APPEAL :

Department of Health and Family Welfare, Uttrakhand appeals to all citizens of the state or foreign guests staying in Uttarakhand to follow the advisory for **lockdown period**. In case of any health emergency, assistance due to lockdown they may call state control room number 0135-2609500/helpline number 104/District control room numbers (Annexed)for assistance.

Preventive measures:

- Home quarantine of all asymptomatic travellers for next 28 days after returing from COVID-19 affected countries.
- Travellers and their families members must ensure strict respiratory and hand hygiene. Cover your face while coughing or sneezing, wash hands frequently and avoid hand shakes.
- Travellers coming to India from COVID-19 affected countries must report to district/block health authorities immediately if they develop any symptoms like fever, cough, cold or difficulty in breathing.
- Indian citizens are advised to refrain from non essential travel to COVID-19 affected countries.
- Hospital isolation of all symptomatic travellers if they have returned from any of COVID-19 affected countries.
- Frequent hand washing specially after touching any body secretions like saliva or nasal secretions.
